

The following document is a copy of a **Recall
Return Card** from **Medtronic** related to the
[Class I Medical Device Recall of the
Medtronic 8870 Software Application Card
Version AAA 02.](#)

URGENT: MEDICAL DEVICE RECALL

8870 SOFTWARE APPLICATION CARD VERSION AAA 02

used with the Model 8840 N'Vision Clinician Programmer

IMMEDIATE ACTION REQUIRED

Complete this acknowledgement card and return it (postage paid) to Medtronic.

IMPORTANT: PLEASE RETURN THIS CARD EVEN IF YOU DO NOT HAVE THE AFFECTED VERSION OF THE SOFTWARE. Your return of this card is critical in our ability to track the receipt of this recall message.

(Check all that apply)

- ☐ I have ____ (#) copies of the AAA 02 software application card. I will return these application cards after I have received version AAD 02 software application cards from Medtronic.

Call 800-328-0810 ext. 88608 to report the number of AAD 02 cards needed. After receipt of your AAD 02 application cards, return your AAA 02 application cards to Medtronic. A postage paid envelope will be shipped to you with the AAD 02 cards

- ☐ I have already returned all AAA 02 software application cards that were in my possession.
- ☐ I have given a Model 8840 N'Vision Clinician Programmer and/or 8870 software application card to another clinician(s):

Clinician name: _____

Institution: _____

Address: _____

City/State/Zip _____

(Use additional pages as necessary)

I acknowledge receipt of Medtronic's voluntary recall notice for the 8870 software application card and certify that the above information is correct

(signature)
